Professional Summary

Enthusiastic and Java Developer with a strong foundation in object-oriented programming. Proficient in Java, Spring Boot, and RESTful web services, with hands-on experience in developing scalable and efficient applications. Knowledgeable in database management using MySQL/PostgreSQL and front-end technologies like Angular. Passionate about problem-solving, writing clean and maintainable code, and continuously learning new technologies. Seeking an entry-level role to contribute technical skills and grow in a dynamic development environment....

Technical Skills

- **Programming Languages:** C, Core Java, Advanced Java
- **Web Technologies:** HTML, CSS, JavaScript, J-Query, JSP, Servlet
- **Frameworks:** Spring, Hibernate, Spring Boot, Angular JS, Microservices (Architecture)
- **Databases:** MySQL
- **Tools:** Git, Maven, Eclipse, VS code
- **Soft Skills:** Team Collaboration, Leadership, Project Management, Problem Solving

Education

- **Master of Computer Science (Pursuing) –** *New Arts, Commerce & Science,*
  Ahmednagar
  Savitribai Phule Pune University
- **Bachelor of Computer Science** (2021-2024) | CGPA: 8.32
  Padmashri Vikhe *Patil College of Arts, Commerce & Science, Pravaranagar*
  Savitribai Phule Pune University

Internship Experience

Cravita Technologies India Private Limited | *Jr. Software Engineer Intern*
(Ongoing)

- Developed and maintained full-stack web applications using AngularJS, Spring Boot, Hibernate, and Microservices.
- Collaborated with cross-functional teams to implement responsive UI components using HTML5, CSS3, JavaScript, and Bootstrap.
- Integrated RESTful APIs to enhance back-end functionality and improve system performance.
- Assisted in debugging, optimizing, and deploying scalable software solutions.

Academic Projects

Hotel Management System

- Developed a Hotel Management System to streamline hotel operations, including room booking, customer management, billing, and staff management.
- Built using **Java Spring Boot** for the backend and **Angular** for the frontend, with **MySQL** as the database.
- Implemented RESTful APIs for seamless communication and ensured a responsive UI for an optimal user experience.

Certifications & Additional Skills

- EDGE-Java Full Stack Developer/Intern
- Core Java (College Certified) – July 2023Boot
